DESCRIPTION: DUCK, DUCK... BOOZE!!!

Your interactive tour begins as soon as you board the “Duck,” a custom state-of-the-art amphibious vehicle called a “Hydra Terra.” Once on board, your capital will *quack* you up with his *quacky* sense of humor but it is not until we arrive at the waterway launching dock, where the FUN really begins!

At the launching dock, we will make the transition from land to sea and you won't even have to leave your seat! Once we enter the waterway, you will enjoy the next 90 minutes sipping on cocktails and cruising along the gorgeous waterways of Fort Lauderdale.

Our transition from sea to land is just as amazing because we will launch back onto land at a different spot than where we started! Back on land, you will enjoy the beautiful sites within the historical part of Fort Lauderdale as well as along Las Olas Boulevard. We will make two “quack” stops at local watering holes to allow you to grab a “quack” bite and drink! And get your Quackers ready because we will even quack our way thru the only tunnel located in Florida!

So hop on board and enjoy the afternoon in Fort Lauderdale because we promise the wackiest, “quackiest” adventure on land AND at sea with lots of fun and laughs in between!

It’s sure to be QUACK-TACULAR!

A little More about our stops...

Briny Irish Pub

Right by the New River in the heart of downtown Ft. Lauderdale, and easily accessible by boat, Briny Irish Pub offers guests the best in Irish and casual cuisine with a waterfront view. Known for its live music, you’ll be sure to enjoy this local watering hole with its huge selection of domestic and imported beers and cocktails.

Fat Tuesdays

Picked up from Bourbon Street in New Orleans and dropped smack dab into the middle of Fort Lauderdale Beach, Fat Tuesday is the perfect place to go for fun in or out of the Key West sun. Fat Tuesday has been serving great drinks and great times in a colorful, upbeat atmosphere since 1990. Their specialties are of course our Fat Tuesday Frozen Daiquiris – authentic New Orleans style drinks that let the good times roll.

WARNING! We can't guarantee that you won't become a victim of "Brain Freeze" but we'll do our best to give you advice on how to avoid it!

Register today and join us for this fun-filled afternoon of networking with colleagues and friends!
